Call for presentations

Representatives of national and international organisations involved to contaminated land management and international experts from academia and non-profit-organisations are invited to suggest talks and provide oral presentations considering the general themes of the 14th ICCL meeting, which are as follows:

- A. **Economic and social aspects in Managing Contaminated Sites**
 - Liability, liability transfer and considering the polluter-pays-principle
 - Management tools, cost-benefit-analysis, innovative strategies for financing
- B. **Sustainably Managing Mining Sites**
 - Best practices, prevention and implementing the precautionary principle
 - Managing heavy metal contamination (large accidents and liabilities)
- C. **Challenges and solutions in Implementing the UN Minamata Convention**
- D. **New Policy objectives and responses in Contaminated Land Management**
 - UN Sustainable Development Goals
 - Climate Change Mitigation

If you are interested in volunteering, please submit your nomination latest until 31st July 2019.

Support and advise to the Organising Team regarding selecting presentations and establishing the final program will be provided by the Programme Committee.

The acceptance of proposals will be confirmed to experts within 3 weeks until 22nd August 2019.

Call for workshops or training sessions

Organisations interested in offering a workshop or training session targeted to a specified actual topic are encouraged to make contact to the meeting secretariat (email: CF-secretariat@umweltbundesamt.at).

Topics of particular interest are e.g.

- i. **Conceptual Site Models for improving risk assessment and management**
- ii. **How to consider new/revised toxicity data**
- iii. **Projects to manage POP Contaminated Sites under the Stockholm Convention**
- iv. **Emerging Contaminants**

Important Milestones and Deadlines

Important dates to contribute to the meeting and registration:

- **31st July 2019:** Deadline - Call for presentations
- **22nd August 2019:** Registration opening
- **11th September 2019:** Deadline call for workshops or training sessions
- **9th October 2019:** Registration closing
